

Inclusions in ADS Semester Fees 2022

T-SHIRT – All students

A black T-shirt with ADS logo has now been included in Semester 1 fees for 2022. The T-shirt has been introduced to improve presentation at showcases and performances. It is designed to give students a feeling of professionalism and cohesiveness as a member of their class ensemble. It will also serve as a memento of their time as a member of the ADS community.

ADS have sourced the best price for quality t-shirts for your children and these have been included in the Semester 1 invoice at \$30+gst (OR semester 2 when joining for the first time). ADS teachers will bring a stock of T-shirts to class and will be given to students on payment of fees. They are also available at our Rosanna office in between classes.

****Please choose your sizes carefully as refunds and exchanges are not possible after the T-shirts have been worn.***

DANCE SHOES – Act Dance Sing classes only

Black Jazz Shoes are now an ADS compulsory item for all "Act Dance Sing" classes. This is for the comfort and safety of students in class, as well as for performances.

For your convenience, ADS have sourced low cost, quality shoes for your children and these have been included in the Semester 1 invoice at \$40+gst (OR semester 2 when joining for the first time).

ADS teachers will bring a stock of shoes to class and will be given to students on payment of fees. They are also available at our Rosanna office in between classes.

MEDIA PASS – All students

Instead of a hard copy DVD of the end of year performance, we now offer a 'Media Pass' at the same cost. The Media Pass includes access and download of the online video of the end of year performance. It also includes a class photo and any photos taken at showcases, productions, behind the scenes of 'Acting for Screen' classes, in classes and awards presentations. The Media Pass has been introduced as a convenient way to access all photos and videos of the production, without the hassle of ordering and purchasing individual files.

The Media Pass of \$35+gst, per child is included in Semester 2 Fees.
